Professionals Dedicated to the Safety of Systems, Products and Services

INTERNATIONAL SYSTEM SAFETY SOCIETY (NORTHEAST CHAPTER) - LUNCH and LEARN EVENT “WEAPON SYSTEMS EXPLOSIVE SAFETY REVIEW BOARD”

Please join us on Thursday, April 23rd at 12:00 PM EDT (Singapore Time: Friday, April 24th at 0:00AM) for a Lunch and Learn event featuring Mike Demmick who will present “*Weapon Systems Explosives Safety Review Board*”.

DESCRIPTION

Mike Demmick, Senior WSESRB Secretariat member and Executive Secretary for the Joint Weapons Safety Working Group will provide an overview of the US Navy’s Weapon System Explosive Safety Review Board’s process for safety compliance oversight of munition systems.

The WSESRB works in partnership with the various Program Managers and the Fleet as well as the other Services for Joint Service Safety review, and provides concurrence or non-concurrence with the:

- Safety Program / Approach
- Safety of Design
- Safety Qualification Test Program
- Advancement to Next Stage of Development
- Fleet Unit Test Firing Authorization
- Fleet Deployment

The WSESRB also makes recommendations (findings) for safety improvements / risk reduction and ensures that risks are communicated to Fleet.

The session will be conducted in Microsoft Teams online meeting platform.

Meeting link and call-in information will be emailed to you upon successful registration.
